To decorate once cooled:

9. Mix these 2 ingredients together and pour over the cooled loaf and allow to harden before slicing
10. Sprinkle with walnuts if not nut free

Not suitable for **(NF)**

Tips:

- **Allowing to cool helps the cake to not sink in the middle once cooked (it probably will happen from time to time) NEVER OPEN THE OVEN UNTIL YOU HAVE COOLED A LITTLE INSIDE**
- **With the leftover cake slice and freeze to use at a later date. This will save you time in future weeks.**
- **Please note that we only have a limited supply of specialist ingredients, so please ensure you freeze any leftovers. We will be monitoring your usage to ensure we are avoiding excess waste.**
